

The BrainTap Experience

Our customers love sharing their experiences with our powerful technology. BrainTappers around the world reach out to us, raving about how BrainTap has changed their lives.

Better Sleep

I first started using BrainTap after my experience with years of law enforcement. After one use I was able to sleep almost 12 hours. It completely changed my life.

STEPHANIE RAZOR

I first started using BrainTap and could tell I got into a deeper sleep. I now awaken more rested.

BROOKE POND

I started using BrainTap to help me sleep better. I did. I believe that I wouldn't be sleeping as well as I am considering all the stressors in our world.

KAREN KING

Improved Clarity

Amazing!! I have been using it for almost a month and I react to situations in much more peaceful ways.

KELLY CEE CHARLTON

I absolutely love Braintap for myself, wife and children. We have used it for years to reduce stress and improve our brain function, it is like a reboot for the brain.

KEVIN KAURICH

I was skeptical of the technology at first, then tried it through a wellness center near me. I bought myself a BrainTap headset and now I am able to focus on things without getting distracted.

MARK NAINES

More Energy

I regularly meditate but the first session blew me away and energized me tremendously.

REYNALDO TORRES

I'm traveling into a two hour time difference. Did a BrainTap session this morning and I feel energized and focused! I love the app!

LYNN TRAN

BrainTap has changed my life, everybody should try it.
